

Allure Las Vegas

Las Vegas, NV

Client
Fifield Companies

Value
US\$132,000,000

Completion
2008

Assignment
Construction Management

Bovis Lend Lease managed the construction of the Allure, a 41-story residential tower overlooking the Las Vegas Strip.

Allure Las Vegas provides 428 residential units ranging from studio to three-bedroom units, as well as a limited number of penthouse units, each with balconies, private pools and cabanas, parking and landscaped deck.

Finishes include 9-foot, six-inch plus ceilings, European style cabinets, granite countertops and Italian porcelain flooring.
